

Questionnaire for members of Headway Hull + East Riding

About you

Headway UK requires our Secretary, Lesley, to hold records of members detailing contact address, email, telephone numbers, information on your head injury, information supplied to you and any follow-up action. This information is confidential and not used for any purpose except to enable you to be kept informed of Headway events. Anonymous information such as the number of new members and the type of information required by members is supplied annually to Headway UK to update their records and statistics.

The Members Committee would like permission to contact you direct when organising events. For example, if you and a number of other members would like to go 10 pin bowling would you be happy for the Committee to have your contact details/telephone number in order to make arrangements?
